TeslaCoil

Imagine a storm of thunder and flashes! Thunder rolling across the land and lightning flashing across the sky. A breathtakingly fascinating wonder of nature!

Tame the strongest force of nature – you can determine where and when! FLASH ART's Tesla Coil offers you unique show lightning effects.

Great suspense guaranteed

Stage the force and the beauty of a thunderstorm at any place and any time – indoors and outdoors. Direct the lightning of the TeslaCoil directly onto metallic objects. With TeslaCoil FLASH ART presents your audience with a show sensation from the United States.

Electrifying beauty firsthand

Enjoy unlimited possibilities for use – from amazing stage shows and film productions to permanent installations in museums and theme parks. FLASH ART's Tesla Coil lets you present your product convincingly. Even the use right over the dance floor of a nightclub is possible.

The TeslaCoil flurry of flashes leaves an unforgettable impression on your guests – you will love it.
